

AT THE LAKE TUBING

BY

TUCKER

*One day my dad and I went
to the lake with Austin
Chase and Keith [redacted].
When we got there we
went strait to the dock and
jump off the diving board a
few times. Then we got on
the boat and on the tube.*

Then we started tubing. After a couple hours we were caught By the police for drinking beer while driving. Then Austin Chase and I started tubing together and I never fell off the whole time!

After that we did five doughnuts. Then we rode around in the boat. Then we went tubing to the marine. (the Marine is a bar next to the water.)

- *Then we went back to the lake house and went home.*
